

AutoContact

```
classDiagram
    class AutoContactTerminal["AutoContactTerminal"]
    class AutoContact["AutoContact"]
    AutoContactTerminal --|> AutoContact
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'AutoContactTerminal'. A vertical blue arrow points upwards from this box to a white box labeled 'AutoContact' at the top. This arrow represents a generalization or inheritance relationship, indicating that 'AutoContactTerminal' is a specialized version of the 'AutoContact' class.
