

Hurricane::DBo

```
classDiagram
    class HurricaneCell["Hurricane::Cell"]
    class HurricaneEntity["Hurricane::Entity"]
    class HurricaneDBo["Hurricane::DBo"]
    HurricaneCell --|> HurricaneEntity
    HurricaneEntity --|> HurricaneDBo
```

The diagram illustrates a class hierarchy with three classes arranged vertically. At the bottom is 'Hurricane::Cell' in a light gray box. A blue arrow points upwards from 'Hurricane::Cell' to 'Hurricane::Entity' in the middle. Another blue arrow points upwards from 'Hurricane::Entity' to 'Hurricane::DBo' at the top. All boxes have a black border.
