

WirePoint

```
graph BT; InstancePoint --> WirePoint; IntermediatePoint --> WirePoint; PortPoint --> WirePoint;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'WirePoint'. Below it are three boxes: 'InstancePoint' on the left, 'IntermediatePoint' in the center, and 'PortPoint' on the right. A horizontal line connects the three bottom boxes. From the left end of this line, a vertical line goes up to the 'WirePoint' box. From the center end of this line, a vertical line goes up to the 'WirePoint' box, ending in an arrowhead pointing towards 'WirePoint'. From the right end of this line, a vertical line goes up to the 'WirePoint' box.
